

ALLAN K. PRICE

Allan and Susan Price have owned property on Fripp Island since 1985. They live in Marietta, Georgia and spend over half the year on Fripp. They have 2 children and 5 grandchildren.

Allan received both his BA in Mathematics and his MBA from Appalachian State University. He has had a 33-year career in telecommunications (Southern Bell & BellSouth) focusing primarily in the areas of Marketing and External Affairs. He retired from BellSouth in 2002 as Assistant Vice President of Regulatory and External Affairs.

Fripp Island Activities/Involvement: Allan is a member of the Fripp Island Men's Golf Association and the Fripp Island Yacht Club. He attends Wednesday evening vespers and supports Fripp Club and social activities.

What kind of volunteer organizations have you been involved in and what were your responsibilities: Allan served as President of the homeowners association in his current Atlanta neighborhood and has served as board member of other homeowners association. He held a leadership role at BellSouth for United Way fund raising activities. He has coached youth sports programs.

What is your long-term vision of Fripp Island? To see Fripp continue to grow and be developed in a way that maintains the serenity and natural beauty that most of us sought when we came here.

What do you wish to accomplish as an FIPOA Board member? Fairly represent the interests of all non-resident members in decisions made by the Board

Considering only those areas the FIPOA is responsible for, what aspects of island management are "going well"? What do you see as FIPOA strengths? The parks have been wonderfully improved. Paved roads and bridges are adequately maintained. Security is well managed overall

In your opinion, what aspects of island management need change or further work and what would you recommend? Better maintenance of gravel roads; parking for beach accesses; control of speeding – especially along Dolphin Road; attention to Beach cleanliness
