

Dear Friend;

Won't you help us please? The Fripp Island Women's Club has decided to publish a new cookbook filled to the brim with the best recipes from the best cooks on our island. We would like three to four recipe favorites from each of you.

We are going to include a special section entitled "He Cooks," so we also need recipes from you men who enjoy cooking.

Print or type your recipes on the attached form - one recipe per form. Feel free to make copies of the form for additional entries.

Mail or give your recipes to any Fripp Island Women's Club Board member, or contact Judy Hummer, by December 15, 2005.

We hope to have the cookbooks ready for sale by October, 2006. To assist us in the ordering process, please indicate below how many cookbooks you would like reserved in your name. Do your Christmas shopping early!!

Thank you for participating in our fund-raising efforts. Monies raised will be used to continue beautification projects for our beautiful island.

Sincerely,

Fripp Island Women's Club
